

Gear Minute #20
Date: 01/26/2010

Presenter: Bill Wallenmeyer
Subject: Mini Fishing Rod/Reel
Price: \$13 (including shipping)
Available from: I bought mine on eBay.

Details: I was looking for Christmas presents for the Troop when I ran across these little mini telescopic fishing rod/reel combos. When the rod is collapsed it looks like a big ink pen.

From the eBay listing:

3. Mini baitcasting blue reel.

Length of the body: 3.5inch (approx)

Diameter: 1.4inch

Weight: 113g (approx)

Material: aluminium alloy brass

4. Fishing line:

Material: nylon.

Capacity: 0.17mm/130M; 0.20mm/110M; 0.23mm/90M

5. Ideal gift for fishing enthusiast or collectors.

Components Included:

1x fishing rod

1x fishing line

1x fishing reel

It's really light-weight tackle and a big fish would probably snap it, but I only gave \$13 for it which included shipping and it is kind of neat. It is small enough to fit in the glove box or in my pack for the next outing.
